

The Question Mantra

***I believe in A Divine Power, Creator of all things,
both visible and invisible.***

***I believe I am created in A Divine Power's image to
manifest the Divine Power's gifts within me.***

***I am empowered by a Divine Power to LOVE, to
SHARE, and to SERVE humanity and all creation
without prejudice and in ways that allow others to do
likewise.***

***I embody the Spirit of The Divine and am ordained
by the Divine to deploy creative imaginations for a
better world.***

***My ancestors, Neneme, the Prophets, Buddha,
Yeshua, and others, are The Divine Power's examples
of how my Soul, Spirit, and Heart can be enlightened to
do these things and more.***
